Outcome

BSB41415 Certificate IV in Work Health and Safety

The Certificate IV in Work Health and Safety will teach you how to comply with WHS legislation, how to identify hazards and how to assess and control risks. Additionally you will learn how to contribute to WHS in a workplace environment, including aiding in the implementation of WHS strategies to control risks and emergency procedures.

Job prospects
- Safety Inspector

Units

Students need to successfully complete 10 units to gain the qualification; 5 core and 5 elective units.
