See your future clearly!

With rapidly changing fashion trends, eyewear technology and an ageing population, well-trained optical dispensers are needed to meet the demands of this growing industry. Develop the skills to interpret Optometrists prescriptions, provide advice to clients about spectacle frames, lenses, contact lenses, sunglasses and safety eyewear. Gain an understanding of the principles of ophthalmic optics, optical appliance troubleshooting and spectacle repair and adjustments, anatomy and physiology of the eye, atypical prescriptions and various areas of the retail optical industry, including...
