Outcome

MAR40613 Certificate IV in Maritime Operations (Master up to 35 metres Near Coastal). Upon successful completion of this Certificate III qualification and the Certificate of Competency as a Master <35m Near Coastal is obtained, the holder of this licence can:
(a) Command a vessel <35 m long in the Exclusive Economic Zone (EEZ);
(b) Command a vessel <80 m long in inshore waters;
(c) Act as mate or watch keeper on a vessel <80 m long in the EEZ; or in any other deck capacity; or
as a coxswain if holding a Coxswain, Marine Engine Driver Grade 1 to 3 or Engineer Class 3 certificate.

Participants who have acquired the appropriate sea time, and achieved competency in the course may apply to sit the oral examination from AMSA. People still accumulating sea time may be eligible for a restricted licence. It is preferred that candidates maintain a Record of Service book for logging sea service details. Appropriate service includes commercial and fishing service. Please verify the appropriate sea time required with your local Maritime Safety Queensland Branch.

This course is competency based, including both practical and theory delivery.

Job prospects
- Ship’s Master

Units

Students need to successfully complete 21 core units to gain the qualification.

Units MARF001, MARF002, MARF004 & MARF005 represent the Elements of Shipboard Safety Skill Set - MARSS00008. The 4 x Elements of Shipboard Safety Skill Set units are delivered separately to the MAR40613 delivery (either prior to or following completion of this course).

- MARA003 Manage loading, discharging and stowing of cargo
- MARA004 Manage vessel stability
- MARB005 Slip or dock a vessel and maintain hull on a vessel up to 80 metres
- MARB010 Plan and supervise routine maintenance on a vessel up to 80 metres
- MARC011 Manage a propulsion unit using appropriate engine systems and support services
- MARC012 Monitor and manage vessel operations
- MARC014 Operate deck machinery and steering gear on a vessel up to 80 metres
- MARF010 Work safely in confined spaces on a vessel
- MARG002 Manage a small crew
- MARH003 Manage and maintain a navigational watch on board vessels up to 80 metres
- MARH004 Plan and navigate a passage for a vessel up to 80 metres
- MARH005 Use wheelhouse equipment for safe navigation
- MARH006 Forecast weather and oceanographic conditions

ARE YOU READY TO TAKE THE NEXT STEP ON YOUR PATH TO GREAT?

Enrol today to secure your spot in this course.

HOW TO ENROL

Enrol now

You’re ready if you have:
- checked your important dates (under the course details tab)
- checked you meet the entry requirements (under the course details tab)
- checked your course costs and know which payment option is right for you (under the costs tab)
- Read the student rules and refund policy
- Created your Unique Student Identifier and can provide this code to TAFE Queensland
- If you are applying for a subsidised cost, please ensure you have all the relevant documents at time of enrolment

All done? Then head to the link below to complete your enrolment:
tafenorth.edu.au/study-with-us/enrolment-fees/enrol

Enrolment options

By telephone: 1300 656 959. In person: at any TAFE Queensland North location.
