HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

This qualification provides an introduction to the construction industry, its culture, occupations, job roles and workplace expectations. The units of competency cover essential OH&S requirements, the industrial and work organisation structure, communication skills, work planning, and basic use of tools and materials.

There are no specific job outcomes to this qualification, but the skills achieved will assist in successfully undertaking a Certificate II pre-vocational program or job outcome qualification, or will facilitate entry into an Australian Apprenticeship.
