CERTIFICATE II IN HORTICULTURE

GROW YOURSELF THE RIGHT SKILLS

The Certificate II in Horticulture programs underpin a range of work functions and job roles that can lead to a horticultural trade qualification.

You will learn to recognise plants, undertake planting tasks, operate machinery, maintain irrigation and drainage systems. You will also acquire retail skills relevant to a garden centre environment. Successful completion of the course will equip you for employment in positions such as nursery assistant, nursery worker, assistant to groundskeeper and assistant to a horticulturalist.

LOCATION/S

Cairns, Cannonvale (Whitsunday), Mt Isa, Townsville Trade Training Centre

DURATION

Part time: 12 months, 12 months / 1 day per week

Full time: 6 months / 3 days per week, 14 weeks / 3 days per week

Entry requirements

Direct entry, year 10 or equivalent. If you're under 17 years of age, special enrolment conditions may apply.

Resources required

Please be aware that you will also be required to supply the following items at your cost:

- Steel capped

Got a question?

Enquire about your full fee study options

This is the total cost of the course.

The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

You are eligible for the concession price of a course if you are eligible for subsidised training, and are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card, or if you are Aboriginal or Torres Strait Islander, you hold a Department of Veterans' Affairs Pensioner Concession Card, or if you have a disability. Further information about concessions.
Outcome

AHC20416 Certificate II in Horticulture
