HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Industry endorsed

Make the most of your qualification

This course is designed for professionals working in the refrigeration and appliance services industry to meet the licensing requirements to work with hydrocarbon refrigerants.

Students who are successful can apply for a Gas Work Licence through the Department of Natural Resources and Mines.

Note: This course does not include R-32 split A/C systems (ARCTick licence only required) or retrofitting, as this is not permitted in Australia.
