HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

Improve your chances of securing an apprenticeship

Kick start your career in engineering with this pathway to an apprenticeship.
Gain entry-level skills in the set up and operation of key areas of engineering, mechanical and fabrication.

LOCATION/S
Bowen, Burdekin, Cairns, Charters Towers, Mt Isa, Townsville Trade Training Centre

DURATION
Full time: 17 weeks / 3 days per week, 17 weeks / 3 days per week / Express your interest today
Part time: up to 1 year / 1 day per week

Entry requirements
The minimum age requirement is 15 years. Ideally participants should possess a pass in

What are my payment options?

No matter what your circumstances, TAFE Queensland North has a payment option to suit you. If you are unsure of what’s right for you, call us on 1300 656 959. We’re here to help.

Prices are subject to change.

...more online

FULL FEE | $4,800
This is the total cost of the course.

SUBSIDISED | $200
The Queensland Government will offset the cost of study for eligible students. You will still need to pay for a portion of your study costs. The amount above is what you will need to pay.

CONCESSION | $200
You are eligible for the concession price of a course if you are eligible for subsidised training, and are listed on an Australian Government Low Income Health Care Card or Pensioner Concession Card, if you are Aboriginal or Torres Strait Islander, you hold a Department of Veterans’ Affairs Pensioner Concession Card, or if you have a disability. Further information about concessions.

### Outcome

**MEM20413 Certificate II in Engineering Pathways (Metal Fabrication)**

This qualification has been specifically developed for possible employment in the Engineering environment and is designed to provide industry recognised skills related to production work as an apprentice. Attainment of this qualification may lead to future employment in this industry as an apprentice.

**Job prospects**
- Apprenticeship - Boilermaker
- Apprenticeship - Engineering Trade
- Apprenticeship - Engineering/Automotive/Welding
- Metal Engineering Process Worker
- Engineering Production Systems Worker

### Units

To gain this qualification, students need to successfully complete 12 units; 4 cores and 8 electives.

### How to Enroll

**Enrol now**

You’re ready if you have:
- checked your important dates (under the course details tab)
- checked you meet the entry requirements (under the course details tab)
- checked your course costs and know which payment option is right for you (under the costs tab)
- Read the student rules and refund policy
- Created your Unique Student Identifier and can provide this code to TAFE Queensland
- If you are applying for a subsidised cost, please ensure you have all the relevant documents at time of enrolment

All done? Then head to the link below to complete your enrolment: tafenorth.edu.au/study-with-us/enrolment-fees/enrol

**Enrolment options**

By telephone: 1300 656 959. In person:
