Nurture the future

Have you always wanted a career working with children but don’t know where to start? A Certificate III in Early Childhood Education and Care is the entry level qualification required to work in the early childhood education and care sector.

This course gives you a good understanding of the approved learning framework used in early childhood education in Australia. You will learn how to support the holistic development of babies, toddlers and children in early childhood, and how to contribute to a healthy and safe environment for them. You will gain an understanding of
