VET FEE-HELP TUITION FEE REFUND POLICY

PURPOSE

The purpose of this policy is to provide a set of guidelines and rules surrounding the withdrawal of students from units of study and the financial implication in regard to TAFE Queensland North (TQN) set fines and their VET FEE-HELP debt.

SCOPE

This policy applies to all persons studying under courses of study at TQN, irrespective of whether or not the person has chosen to access VET FEE-HELP assistance for their tuition fees.

DEFINITIONS

| Administration Date | TQN may set an earlier date than the Census Date, called an ‘Administration Date’ for a unit of study. This must not disadvantage students as outlined in the fairness provisions of the Act.

The Administration Date is used by TQN as the deadline for which completion of online enrolment and submission of the Request for VET FEE-HELP Assistance Form is required by Customer Services. After the Administration Date the ‘late enrolment’ financial penalty/fine will apply to all persons seeking to enrol in a unit of study.

The Administration Date, being the start of study for that unit of study, is also the deadline for which to make any changes to unit of study enrolments, including withdrawing from these units, without incurring a ‘Change of Enrolment’ financial penalty/fine for each unit of study affected.

The Administration Date does not override the Census Date in terms of a student incurring financial liability to the Commonwealth for those units of study in to which they are enrolled.

The Administration Date will be set for each unit of study in accordance with the fairness provisions of clause 18 of Schedule 1A to the Higher Education Support Act 2003.

It is the responsibility of students to ensure they are aware if TQN has set an earlier Administration Date, as the deadline for enrolling in units of study.

| Census Date | TQN is required to set a Census Date for each unit of study that it provides or proposes to provide which is VET FEE-HELP eligible. This is the last date that a person seeking to enrol can submit a Request for VET FEE-HELP assistance form for units of study for which they are seeking VET FEE-HELP assistance. Students who withdraw from their unit of study on or before the Census Date will not incur a VET FEE-HELP debt.

| COS | Completion of Study date

| Course of study | A structured and integrated course of education, usually consisting of a number of units of study.

**POLICY**

**Key Dates**

**Census Date**
The Census Date for a unit of study is the closing date for a student to apply for VET FEE-HELP assistance for that unit of study. TQN will set a Census Date for each unit of study it provides or proposes to provide in accordance with clause 67 of Schedule 1A to the *Higher Education Support Act 2003*. The Census Date will occur no less than 20% of the way through the period of delivery in which the unit of study is being undertaken by students. This will include student breaks, assessment and examination periods.

**Administration Date**
The Administration Date is used by TQN as the deadline for which completion of online enrolment and submission of the Request for VET FEE-HELP Assistance Form is required by Customer Services. After the Administration Date the ‘late enrolment’ financial penalty/fine will apply to all persons seeking to enrol in a unit of study. The Administration Date, being the start of study for that unit of study, is also the deadline for which to make any changes to unit of study enrolments, including withdrawing from these units, without incurring a ‘Change of Enrolment’ financial penalty/fine for each unit of study affected.

The Administration Date does not override the Census Date in terms of a student incurring financial liability to the Commonwealth for those units of study in to which they are enrolled.

The Administration Date will be set for each unit of study in accordance with the fairness provisions of clause 18 of Schedule 1A to the *Higher Education Support Act 2003*.

**Withdrawal Date**
The Withdrawal Date is used by TQN as the deadline to withdraw from units of study without receiving academic penalty (i.e. students will receive an ‘M’ Grade – Not Yet Competent on their academic results).

The Withdrawal Date is set from the completion of study date for each unit of study.

**Refunds**

Paragraph 8.4 of the VET Guidelines specifies that a student enrolled in a unit of study, is entitled to a refund of their tuition fees if they withdraw from their studies on or before the Census Date. Students will be required to follow TQN’s withdrawal procedures however they are not required to apply for a refund as the action of withdrawing is sufficient to action the refund of the Tuition Fees to the student by TQN VET FEE-HELP Coordinator.

Accordingly, TQN will repay to a student any payment of the student’s tuition fees against a unit/s of study that the student made upfront on or before the Census Date if the student is no longer enrolled in the unit/s of study at the end of the Census Date.

<td>Withdrawal Date</td>
<td>An additional date set, after which students who withdraw from the unit of study will receive an academic penalty, i.e. an M Grade – Not Yet Competent.</td>

</tbody>
</table>
However, this will not apply if the:

- student is no longer enrolled in the unit/s at the end of the Census Date because TQN has ceased to provide the unit/s as a result of ceasing to provide the course of which the unit/s of study formed part; and
- Tuition Assurance requirements applied to TQN at the time that TQN ceased to provide the unit/s of study; and
- student chose the option designated under those requirements as Tuition Assurance in relation to the unit/s of study.

TQN will also refund any upfront payments made by the person towards incidental charges, unless the goods have been received or the services provided; in these cases these fees are non-refundable.

**Financial Penalty/Fine**

TQN is entitled to charge a financial penalty/fine for any actions undertaken in relation to circumstances where a student withdraws from their unit/s of study prior to the Census Date but after the Administration Date by which these changes are required.

This fine may only be imposed as a disincentive, and not for the purpose of raising revenue or covering costs.

Accordingly, TQN may charge a student a ‘Change of Enrolment’ financial penalty/fine for each unit of study that a student changes or withdraws from if the student does so after the Administration Date, being the start of study for that unit of study.

TQN may also charge a ‘Late Enrolment’ financial penalty/fine for enrolments or submission of the Application for VET FEE-HELP Assistance after the Administration Date.

These fines will be applied per unit of study, with relevant fines published through the TQN website at [http://tafenorth.edu.au/](http://tafenorth.edu.au/)

**Withdrawal from Units of Study or Change of Enrolment**

A student may at any time during a semester, cancel enrolment for the semester or amend it by withdrawing from one or more units of study.

However, the cancellation of enrolment may be subject to academic penalty and/or financial penalty as follows:

1. Withdrawal from unit/s of study or change of enrolment prior to the Administration Date:
   - no academic penalty; and
   - no financial penalty/fine.
2. Withdrawal from unit/s of study or change of enrolment after the Administration Date but before the Census Date:
   - no academic penalty
   - financial penalty/fine.
3. Withdrawal from unit/s of study or change of enrolment after the Census Date but prior to the Withdrawal Date (COS):
   - no academic penalty;
   - full financial liability to the Commonwealth Government.
4. Withdrawal from unit/s of study or change of enrolment after the Census Date and after the Withdrawal Date (COS):
   - academic penalty;
   - full financial liability to the Commonwealth Government.
