

GET YOUR TRADE QUALIFICATION.

FUNDING AVAILABLE!

Are you working in the automotive or engineering industry, but don't have a trade qualification?

Are you seeking employment and need a qualification?

TAFE Queensland – North Region can work with you to have your current skills, industry knowledge and work experience recognised through **Recognition of Prior Learning (RPL)**.

Funding is available through the Department of Education and Training – Trade Skills Assessment and Gap Training Program*

Qualifications:

- **Certificate III in Light Vehicle Mechanical Technology** | AUR30616
- **Certificate III in Heavy Commercial Vehicle Mechanical Technology** | AUR31116
- **Certificate III in Outdoor Power Equipment Technology** | AUR30716
- **Certificate III in Automotive Electrical Technology** | AUR30316
- **Certificate III in Engineering – Fabrication Trade** | MEM30305
- **Certificate III in Engineering – Mechanical Trade** | MEM30205

* Strict eligibility requirements apply for students to receive funding. Students need to complete an RPL assessment and undertake gap training by **30 May 2018**.

To find out if you are eligible, contact TAFE Queensland – North Region on **RPL.North@TAFE.qld.edu.au** or call **4750 5451**.
