Don't conserve yourself - get a Diploma with TAFE North

The Diploma of Conservation and Land Management provides students with grounding in an ecosystems approach to natural resource management.

Throughout this program students gain sound theoretical knowledge and practical skills in the development and facilitation of conservation and land management projects, including planning, assessment and management.

LOCATION/S
- Cairns, External, Townsville (Pimlico)

DURATION
- Recognition of prior learning (RPL): 12 months

Entry requirements
- Students who already possess industry experience and have the required skills and knowledge

Resources required
- No specific resources are required to successfully complete this course.
- It is recommended that students have access to a reliable internet connection

If considering a VET Student Loan, please ensure you read the TAFE Queensland 'Pre-Enrolment Information for students considering applying for a VET Student Loan': http://tafeqld.edu.au/study-with-us/enrolment-fees/financial-support/student-loans/vet-student-loans.html
