HELLO THERE, OUR DREAM IS TO HELP YOU MAKE GREAT HAPPEN

An essential skillset for outdoor types

This course covers the process of maintaining, preparing and operating hand-held chainsaws in a work environment and defines the standard required to: select, use, maintain and store suitable personal protective equipment; carry out routine checks and maintenance on chainsaws; apply appropriate chainsaw technique and cutting methods according to manufacturer’s specification and documented low risk work procedures; assess and minimise environmental impacts of chainsaw use; maintain records of chainsaw training and certification, risk assessment and use.
